Providing Services through a Global Pandemic

In order to ensure we continue to provide you with the highest quality services and continuity of care, Centre for Play Therapy will automatically convert face to face appointments to a tele-health appointment if you or your child become COVID-19 positive or are required to isolate due to being a close contact. Where possible we will reschedule your appointment to avoid the need to cancel your appointment.

Should your therapist become COVID positive or be required to isolate we will discuss alternative tele-health appointment arrangements with another therapist where possible and explore all other options before cancelling your appointment.

Centre for Play Therapy also offers the option for Tele-Play Therapy appointments and phone consultations on an ongoing basis if this is something the family feels would be more appropriate. Please speak to your therapist or contact our head office for further information about our Tele-Play Therapy options.

Centre for Play Therapy recognises that living and working in COVID-19 times is challenging for everyone, however we are committed to doing everything we can as a business to ensure continuity of care and support for your little one.

We will still require a minimum 48-hour notice for any cancellations however, extraneous circumstances will be taken into consideration and cancellation fee's may be waived at Management's discretion.

All Centre for Play Therapy offices and staff follow a COVID Safe plan and adhere to all Qld Health Restrictions and guidelines.

Should you have any questions or concerns, please do not hesitate to contact us on 1300 732 424 or via email on admin@c4pt.com.au.
